2. Regional Business

- a. Information Sharing - Allen will be hosting a kickball tournament the weekend of June 5
- b. Financial Report – The regional account is doing well. We are about to start our busy time of year so a lot of purchases will be made over the course of the next 2-3 months. The idea of purchasing a trailer and timing system for track was discussed. The estimated cost would be anywhere from \$8,000-15,000.

3. Regional Reports

- a. Swim
 - i. “A” Regionals – July 24 (Carrollton)

 - i. Region 7 Track Meet – July 15-17 (Garland)
- c. Basketball – Overall the regional tournament went well. There were approximately 41 teams in the tournament. All DII teams advanced without playing since only a few were entered in each age bracket. There was some confusion with coaches because of the point system and the collection of money for those advancing to state was an issue. John Evans also mentioned the inaugural 45 & Over Invitational was a success in Lancaster with 9 teams participating.
